EDUCATION

La Consolacion College Manila Aug 2023 – Jun 2025

Bachelors of Science in Information Technology

Polytechnic University of the Philippines Oct 2020 – Jul 2023

Diploma in Information Communication Technology

- *President's Lister (2020-2023)*

La Consolacion College Manila Jul 2018 – May 2020

Senior High School - STEM Strand

PROFESSIONAL EXPERIENCE

Cornersteel Systems Corporation Apr 2023 – Jul 2023

IT Intern (Systems and Web Development)

- *Analyzed the company's ERP system (ERPnext) to identify missing features critical to business operations.*
- *Created clear and user-friendly documentation and guides for cross-departmental use of ERPnext.*
- *Tasked to train both the employees and interns in using ERPnext.*
- *Utilized HTML5, CSS3, JavaScript, PHP, and Bootstrap CSS to develop a responsive user-friendly locally-hosted HR Management Information System.*
- *Digitized manual HR processes (leave filing, job orders, overtime filing) through the new system.*
- *Collaborated with fellow interns using Git and GitHub to manage version control and development.*

PROJECTS

SGDev (Personal Portfolio)

Next.js, React, Tailwind CSS, ShadcnUI, and Framer Motion

- *A personal web-based portfolio showcasing my tech stack, projects, educational background, and professional experience. Designed for responsiveness and performance, featuring sections for contact, project previews, social links, and resume download.*

UrbanAid (Personal Project)

Python, SQLite, Tkinter, and CustomTkinter

- *A digital platform for community clean-up initiatives that helps schedule events, manage participants, and encourage collective action for better urban waste management.*

GymBuddy (Collaborative Capstone Project)

React Native, AsyncStorage, Expo, and React Native Paper

- *A mobile fitness companion app that provides users with a personalized workout plan based on their fitness goals and preferences.*

RegiTech (Collaborative Capstone Project)

React, CSS3, MySQL, PHP, Laravel, and Bootstrap CSS

- *A web-based admission credentials document management system for Polytechnic University of the Philippines - Institute of Technology Registrar's Office.*

CSC-MIS (Collaborative Project)

HTML5, CSS3, Javascript, MySQL, PHP, and Bootstrap CSS

- *A Management Information System for the human resources department of Cornersteel Systems Corporation. The system digitalizes the manual processes of the department.*

ShutterUp (Personal Project)

HTML5, CSS3, Javascript, MySQL, PHP, and Bootstrap CSS

- *A photo sharing platform where users can upload their photos and share them with the world. Users can also like and comment on photos.*
